Diagram illustrating a sequence of horizontal bars (rows) representing a signal or data stream. The bars are arranged in a grid with 4 rows and 3 columns.

The sequence of bars is as follows:

- Row 1: Solid black bar.
- Row 2: White bar with a black rectangle in the middle.
- Row 3: Solid black bar.
- Row 4: White bar with two black rectangles.
- Row 5: Solid black bar.
- Row 6: White bar with a black rectangle in the middle. Labeled λ .
- Row 7: Solid black bar.
- Row 8: White bar with a black rectangle in the middle. Labeled $\Delta\lambda$.
- Row 9: Solid black bar.
- Row 10: White bar with a black rectangle in the middle.
- Row 11: Solid black bar.
- Row 12: White bar with a black rectangle in the middle.
